This Week's Learning

This week we have been continuing to learn all about our classroom and our new friends. We have started to become more independent with our self-help skills and staff have started to incorporate our number of the week into carpet time.

We have enjoyed practising our gross motor skills in the garden with our Pre School bikes, hoop, balls, beanbags and mark making with our large chalk sticks. There was great excitement this week when we made some bright blue playdough. We have seen some fantastic sculptures of bears, worms and even snails. The children continue to familiarise themselves with the Pre School routine and it has been lovely to see them playing and exploring throughout the Brambles setting happily.

We would also like to say thank you to one of our Brambles families for sharing a birthday snack with us, it was thoroughly enjoyed!

Our number of the week: 1

Our key words: Miss Emma, Miss Max, Miss Hayley, Miss Lorraine, Miss Vicki and Miss Treasure.

Something Special

Over the next few weeks, we will be exploring our families, please could your child bring in a family photo that they can share with their Pre School friends at carpet time and put on our classroom display.

Thank you to all of the parents who have already brought a family photo in for their child to share.
