This Week's Learning

This week at Brambles, we have been learning all about the Sun and how to stay safe while playing outside in the hotter weather.

We have learnt that the sun is a hot ball of glowing gas, it is shaped like a sphere and is the closest star to the earth.

In the garden, we have had lots of water play exploring under the sea animals, shells and fishing nets, we have been making sand castles in our sand pit. We have been exploring shadows outside using chalk to draw around our friends at different times of the day to see how our silhouette moves.

With the PTA summer fayre coming up, we are asking for donations for our Brambles Party in a Cup stall. Therefore, if you are having a sort out at home we would appreciate any small items such as party bag toys, happy meal toys or small packets of sweets.

Our number of the week: 4

Our key words: Sun, summer, sun cream, sun hat, hydrated and shadows.

Letter of the week: P

Alliteration Rhyme: Pietro the proud parrot.

Something Special

You will now have received information about which Reception class your child will be in when they start school in September.

This will have included dates for their 'Getting to Know You' sessions. These sessions are scheduled to support your child's transition to school and to allow parents to visit the classrooms and meet the Reception staff. Please note that Pre School Staff cannot take your child to these sessions it must be a Parent or Carer.
